

Ordering Your Cake

For your consultation, we will provide two complimentary sample cakes so you may choose flavors you would like to taste. Be sure to bring pictures of your favorite cake styles to your appointment—digital images on your phone are perfect!

You can begin your wedding order up to a year in advance. A simple \$50 ticketing fee reserves the date for your wedding cake and delivery. While this fee is non-refundable and non-transferrable, it will be credited toward the final balance of your order.

Wedding cakes can be delivered in the greater Tulsa area Tuesdays through Saturdays depending on availability. Deliveries start at \$45. You may also choose to pick up your cake from any of our locations during regular hours.

The entire balance of your wedding order must be paid in full ten days before your wedding date. Adjustments to your order must be finalized at that time also.
